March 23, 1998

-- IMPORTANT FAX TO ALL ROU'S --

TO: All ROU's

On Friday, March 20, each ROU received an Airborne Express packet containing the 2nd Quarter 1998 Forsyth promotion for June 1998 (reference FSC 23-B dated March 17). The title did not get changed and consequently still reads "1st Quarter" by mistake. However, if you look at the fifth column, the "Promo. Allowance Period of June" is correct.

Please communicate this mistake to all Managers, having them write in 2nd Quarter where 1st Quarter currently is on the allocation sheets prior to sending to Customer Services.

If you have any questions, please contact Mike Moore at Extension 2858 or Gwen Scott at Extension 3340.
